EXHIBIT A

**SECOND ADDENDUM TO RESERVATION OF RIGHTS AND TOLLING
AGREEMENT**

The undersigned counsel for the plaintiffs, on the one hand, and the undersigned individual defendants, or counsel to the individual defendants, on the other hand (each individually a “Party” and collectively the “Parties”), hereby agree as follows:

Whereas, the Parties executed a Reservation of Rights and Tolling Agreement (“Tolling Agreement”), dated as of July 20, 2002, as amended by the Addendum to Reservation of Rights and Tolling Agreement (“First Addendum to the Tolling Agreement”); and

Whereas, the Tolling Agreement and the First Addendum to the Tolling Agreement will expire on or about September 26, 2007; and

Whereas, the Parties desire to preserve the status quo as of the effective date of this agreement and further extend the termination date of the Tolling Agreement and the First Addendum to the Tolling Agreement:

IT IS HEREBY AGREED that:

Paragraph 1 of the Tolling Agreement is amended to read:

“1. The effective date of this Reservation of Rights and Tolling Agreement (“Tolling Agreement”) is August 2, 2007 (the “Effective Date”).”

Paragraph 4 of the Tolling Agreement is amended to read:

“4. The statute of limitations, or any similar limitations period, and any other defense in law or equity relating to the passage of time as in effect on the Effective Date of this Tolling Agreement are tolled with respect to claims that constitute interrelated wrongful acts (as such term or a similar term is defined in the relevant insurance policy of the Party’s primary carrier) with regard to the facts and issues alleged in the case captioned *In re: Initial Public Offering Securities Litigation, 21 MC 92 (SAS)* (the “IPO Actions”), that any Party may have or bring

against another Party, including members of the putative class set forth in the amended complaint in the IPO action in which such Parties are named, from the Effective Date of this Tolling Agreement through and including the earlier of:

- (a) 30 days after the date of termination of this Tolling Agreement; or
- (b) August 27, 2010.

Because the Parties have agreed that the Effective Date of this Tolling Agreement is August 2, 2007, the applicable statute of limitations for the claims currently asserted in the IPO Actions shall be the statute of limitations for such claims as they are in effect as of the Effective Date of this Tolling Agreement, and not any subsequently amended statute of limitations period.”

Paragraph 7 of the Tolling Agreement is amended to read:

“7. Nothing in this Tolling Agreement shall have the effect of reviving any claims that are otherwise barred by any statute of limitations or similar rule of law or equity prior to the Effective Date.”

Paragraph 13 of the Tolling Agreement is amended to read:

“13. This Tolling Agreement may be terminated by any Party. The termination shall be effective upon the later of delivery of a written notice of termination from any Party addressed to Counsel for the other Party or the posting of such notice on LexisNexis File and Serve. Pursuant to Paragraph 4 above, the statute of limitations, or similar limitation periods, and any other defense relating to the passage of time shall be tolled until 30 days after the effective date of termination. Notice of termination provided hereunder shall be posted on LexisNexis File and Serve and sent by facsimile or overnight delivery to the following persons at the addresses set out below:

Paragraph 15 of the Tolling Agreement is amended to read:

"15. This Tolling Agreement shall not be deemed to be an acceptance of service or waiver of any rights, claims or defenses which any Party may have, and which the Parties expressly reserve, with respect to past or future efforts to serve, except as follows:

(a) The Parties agree that where multiple complaints were filed with respect to a particular Party, proper service of one such complaint upon that Party shall be deemed proper service of all such complaints against that Party; and

(b) If any plaintiff seeks to recommence litigation pursuant to this Tolling Agreement against a dismissed Party, that plaintiff need not re-serve the summons or complaint upon that Party, but may rest upon any prior efforts to serve that Party, subject to whatever rights,

claims, or defenses that Party may have with regard to the prior service, but plaintiff shall post on LexisNexis File and Serve a notice of recommencement of the IPO Action or any of the tolled claims against such dismissed Party.”

The signatories to this Second Addendum to Reservation of Rights and Tolling Agreement (“Second Addendum to the Tolling Agreement”) represent and warrant that they have the authority to bind the Parties on whose behalf they are executing this Second Addendum to the Tolling Agreement.
